IVEL – IV-E Reimbursability List

This screen displays IV-E eligibility spans for a specific client. Spans that are in pending, suspended or denied status will display reason codes that must be addressed in order for the span to be approved. Approved IV-E spans will automatically create a IV-E entry on the CELL (Client Eligibility List) screen.

```
CAFSIVEL                  IV-E REIMBURSABILITY LIST      02/13/2009    13:29

```

Field Descriptions (F12) indicates code lookup is available.

CAPS ID (F12)
Enter the CAPS ID of the client you wish to view IV-E span details for.

NAME
This field will display the name of the client whose ID is displayed in the CAPS ID field.

TO DISPLAY ENTER X – ACTIVE ONLY or ACTIVE AND INACTIVE
This field will default the "X" to active only. You can mark the "X" in front of active and inactive if you wish to view inactive IV-E spans. Inactive IV-E spans will display in white and a message will appear at the bottom of the screen saying "white IV-E spans are inactive IV-E spans."

SEL

Enter "I" if you want to inquire on IV-E span information or "H" if you want to access IV-E reason code information. *An "H" can only be entered if the status of the span is pending, suspended or denied.*

FLAG

This field will display an "A" or an "I" to indicate if the span is ACTIVE or INACTIVE.

IV-E BEGIN DATE

This field will display the IV-E begin date.

IV-E END DATE

This field will display the IV-E end date.

UPDATE DATE

This field will display the date the IV-E span was last updated.

UNRESOLVED REASONS (F12)

This field will display up to five reasons why a span is currently in pending, suspended or denied status. *Reason codes will display in the following order: CRT, PPH, LIC and then any additional unresolved reasons.*

MORE UNRSLVD RSNS

This field will display a "Y" if there are more than five unresolved reasons on a span or an "N" if there are five or less reasons on a span.

STATUS

This field will display the current status of the IV-E span (pending, approved, suspended or denied.)

Additional Information

The IVEL screen will be in inquire mode at all times.
